Times Tables Battle Ships

Instructions

Both players mark their own battleships onto their grid.

Player 1 calls a position: 3 x 3 = 9.

Player 2 replies with 'hit' or 'miss'.

Player 1 writes the answer to the times table and a tick for hit or a cross for miss.

If player 1 gets a 'hit' they take another turn, and if they 'miss', player 2 has a turn.

Once a ship has been sunk you need to say, "You sunk my battleship".

Put the following ships in your grid either horizontally or vertically.
